

**SPECIFICATIONS FOR LAUNDRY SERVICE, UNIFORM
RENTAL, AND REPAIR
FOR FLEET MANAGEMENT**

1. There are two locations for service-Main Shop Fleet Management, 10320 Watertown Plank Road, and Airport Shop, 5800 South Howell Avenue.
2. Services to include: Laundry, repair, i.e., torn seams, hem repair, button replacement, patching or minor rips and holes and zipper repair.
3. Name and identification tags shall be included with Employee name and department name.
4. A replacement cost schedule shall be provided for each type of garment to be referenced in the event of loss or damage.
5. Pick-up service shall be once per week at each location-Main Shop Fleet Management and Airport Shop location. The Milwaukee County Fleet Management representative shall designate pick-up days and times.
6. The successful vendor shall provide lockers and individual locks. The storage areas shall be locked units. Space will be provided for storage lockers at both locations.
7. Color and material/style to be determined by the following factors: position, duties, exposure to caustic materials and flames, etc. For example:
 - A. Welders
 - B. Mechanics
 - C. Mechanic Assistant
 - D. Body Shop Techs.
8. The successful vendor shall report to the Milwaukee County Service Supervisor of both shops for measuring and sizing uniforms for each employee for proper fit.
